COURSES FOR AGONIST SKIERS OF ALL LEVELS

All courses at all levels have a high technical and educational content.
Everyday videos will be made that can be viewed directly on the
slope and/or in the hotel at times that will be established with the
participants, both adults and children.

Teaching aids will be used: these include video, the possibility for
the teacher to correct the student using an intercom system, and
miniature posts and grand slalom and slalom benchmarks, circuits
and courses.
