Top academy - race

**COURSES FOR SKIERS
AGONIST OF ALL LEVELS**

All courses at all levels have a high technical and educational content.

Everyday videos will be made that can be viewed directly on the slope and/or in the hotel at times that will be established with the participants, both adults and children.

Teaching aids will be used: these include video, the possibility for the teacher to correct the student using an intercom system, and miniature posts and grand slalom
